Beginning in April we will have a ride the first Friday of the month, then every Thursday. On the 2<sup>nd</sup> Thursday of the month we will have our meeting.

Bob is going to put out information on a ride on at least a monthly basis. It may be any distance and either Saturday or Sunday. If you have any ideas please let him know.

**50/50** was won by Paula \$15

**Outgoing Director's comments:** It has been a pleasure to be the directors for so long. We enjoy the friendships we have made which is why although we are stepping down we are not “stepping out”. We know Bob will continue to steer the group in the direction of fun and friendship. We hope more people will be able to join us on the rides. We would love to see us get together for more rides and more social activities in the future. Now as Bob said when we left the meeting “Go Team”.

**Incoming Director's comments:** At age 68 I thought I was way too old to be drafted but boy was I wrong! First I want to thank Craig and Patti for being co-directors for the past several years. They did a great job and their efforts are really appreciated. I look forward to the opportunity to serve the group and to keep us riding. My main focus will be to organize lots of rides and keep our wonderful friendships going. I've considered this group to be part of my family since first joining in 1995 and always look forward to our rides and get-togethers. As ride coordinator I plan to schedule at least one day trip per month, including the winter months weather permitting. Also I will schedule a couple of weekend trips this year. I encourage you to give me suggestions for both day trips and weekend get-aways. If you don't want to organize it I will be glad to do so.

Keep the rubber side down and keep on riding! Go Team!
